Hello and thank you for the opportunity to become your preferred power product & service provider. As a family, owned business, Accurate Power and Technology of Mount Dora, Florida brings peace of mind with a full line of reliable products backed by world-class service and support. We are authorized to provide Sales, Service, and Warranty for the best Generator companies available. Our goal is to establish an outstanding service relationship with each client. To ensure this commitment our service trucks are fully stocked and all technicians are factory trained and certified. We provide periodic maintenance plans and on-demand service including swift and reliable repair services.

Increased demand makes it important to work with a vendor who can provide a complete turnkey solution for you and your family.

Although our customers' needs are diverse, all share one commonality – the need for long-term power solutions from a company who will support them every step of the way.

We are your power partner choice.

Our level of service has helped build lasting relationships with our clients who return to partner with us project after project, year after year. This includes the City of Eustis, Mission Inn (Howe in the Hills), and Oceans 10 (Daytona Beach Shores).

My family and I are excited to work with you and thank you for the opportunity to be a part of your life.
