Venetian Bay is an established premiere master planned community located in New Smyrna Beach Florida. Venetian Bay consists of over 1,975+ upscale private homes, townhomes, condominiums, and luxury rental apartments. When completed there will be over 4,150 homes. The surrounding areas are expected to add approximately 12,500 + homes/individual residences by 2021. A majority of our homeowners and area residents are an upscale affluent group of individuals with substantial disposable income. Many of our residents are retired professionals, others are still currently in the workforce. Our residents’ age groups are from the 30’s to 70’s. The homeowners & residents reside in serene and private areas, and many live in our premium gated communities.

Your advertisement will allow you to directly reach the decision making individuals for your products and services, through the use of our dynamic award-winning website.
