The owner is Donna - you can reach her on her cell at: 407-314-7704 - Donna is always present doing the cleaning alone or with one of her trained staff. The best thing is that they use brand new environmentally clean Hepa Vacuums so there is no dust from vacuuming – when they arrive at your home their vacuums are clean & empty, so they can actually show you the amount of dirt/debris that was vacuumed up during cleaning of your home! They also have brand new steam mops & the other latest equipment for cleaning tile, hardwood floors, mirrors, & we also do windows.
